

NABU separate funding and high salaries for its staff

Background

NABU received separate funding from the State Budget. Thus, NABU does not depend on other state authorities in conducting its activities. NABU is insulated from direct political influence by legislative fixation of the salaries of its employees, ensuring that no other state authority may influence its salaries or budgeting.

Timeline

NABU deprieved of budget

16.12.2014

In December 2014, MPs forgot to include NABU in the Draft Law On state budgent in 2015. After the public attention to the issue, NABU received separate budgeting.

Documents

IMF

“Institutional and operational independence from any external influence will be guaranteed and realized, in particular, through....special procedures for budgetary allocations; and competitive remuneration for the head and staff of the agency.”
