

PGO's attacks on NABU go on

22.09.2017

According to NABU, Prosecutor General's statement, made during his briefing on September 20, on the illegal wiretapping of more than 150 people (including the Presidential bodyguards), which was supposedly done by NABU is not true.

NABU supposes it is an attempt to block the creation of independent Anticorruption Court and to discredit NABU. [Full text](#).
